

Night Ministry Van Project Update

We Are On The Way To Meeting Our \$20,000 Goal!

Within five short months the Night Ministry has been blessed by the donation of two vans similar to the ones shown below, and has also received \$ 9,500.00 in donations, pledges and grants. The next phase of the Van project is to prepare these vans for ministry. Our \$20,000 fund raising goal is for just that reason. Funds are needed for operation costs, insurance, signage and equipment as listed below.

- Van Signage
- Maintenance & Insurance
- 2 - 8' X 10' Easy Up Coverings
- 2 Burner Portable Food Warmer
- 24 to 28 Folding Chairs
- 2 - 3' X 6' Folding Tables
- 10 Heavy Duty Food & Clothing Bins
- Portable Sound System

The Night Ministry also provides weekly outdoor worship and fellowship services: one in the Tenderloin and one in the Mission. The services are followed by a meal while providing blankets, socks, coats, sleeping bags and toiletries. These services create the opportunity for conversation, prayer and crisis intervention. Our wellness program and community-building program extend our outreach to many more people in need. Our goal is to have our vans carry a greater supply of food, blankets, coats and various services to the streets of our beloved San Francisco.

We have become limited in our ability to reach the growing needs of people struggling on our streets. Night Ministry does not receive any public funding, nor do we charge anyone for our services. We are extremely thankful for the people who support and partner with us. We are asking for your help to meet the greater need. No pledge is too small. ~ Thank you in advance for your consideration.

\$ 9,500.00
